Dear Parents, Guardians, Caregivers,

**Parent/Teacher Partnerships**

Onslow PS believes that a 3 way partnership (parent/teacher/child) build strong communication and understanding of expectations. When parents and teachers work in partnership, the child is able to make connections between home and school which in turn builds confidence, resilience and supports learning. I encourage you to, should you have any concern in regards to your child, communicate those concerns to your classroom teacher so they can be addressed. As a team we can work together to support the development of your child both socially and academically.

To further enhance our partnership, Onslow PS will also be holding a couple of **parent information nights** in Term 3. One will be about the **Australian Curriculum** and how Onslow PS is implementing it and what is expected of your child. The other will be about what is provided in our **Secondary Program**. Please keep an eye out for these nights in upcoming Newsletters.

**National Schools Opinion Survey**

Parents will be receiving, by mail, the National Student and Parent Opinion Survey very soon. The survey is conducted every two years and will enable student and parents to express their opinions across a number of performance criteria. The survey will be run from the 30th of June to the 31st of July and can be done manually or online. Students in years 5-12 are currently completing the survey at school and I encourage all parents to compete the survey by the required date to ensure the entire parent body is represented. I thank you in advance for your involvement and feedback.

**Dental Van Visit**

The Dental Van has now left Onslow PS and in fact left earlier than scheduled, due to the great health of our students teeth. Well done to students and their parents for maintaining great dental hygiene and health.

**Wirrapunda Foundation**

The Wirrapunda Foundation will be at Onslow PS from the 22nd of July to the 24th of July. Again they will be working with the students and have put together a great agenda of activities.

**School Holidays**

I wish everyone a safe and happy holiday. Take care if your family is travelling and see you all fresh and ready to start Term 3 on the 21st of July.

Please note that Monday 20th July is a **PUPIL FREE DAY**.

Jackie Barry
Principal
Onslow PS
In collaboration with staff and students, we would like to give families and the community a sneak peek at the Faction Flags we will have at the next Sports Carnival. We are very excited by the new designs! They look fantastic on “tear drop” flags.

Feedback on the designs will be considered up until Friday 24th July 2015—the first Friday back at school—so that we have time to get them printed for the Sport Carnival on 21st August 2015.
**School Holiday Program**

**JULY 2015 WEEK 1**

**Swans Active Education Update**

**V Swans Community Update**

On Saturday the town celebrated the Passion of the Pilbara festival with a great day of activities and rides at the Onslow Thalamjyi Oval. V Swans created an Active Education Sports Zone which included interactive challenges that tested physical and mental skills such as coordination, balance, reaction times, agility and perseverance. V Swans Sport Zone saw over 80 children and their families pass through, a great turn out for our small community. Congratulations to Onslow Primary School students, Saxon, Arlen and Layden who took out the Junior Prize for the ‘Pilbara & Me’ Film Festival. V Swan’s short film, “Onslow/Scorers” can be found on youtube and the ‘V Swans Ashburton’ Facebook page - spot the familiar faces!

---

**Active Education at Onslow Primary School**

**JET Open Night – Join Engage Thrive**

The Onslow community celebrated its students on Wednesday 24th June at Onslow Primary School with a JET Open Night to display all of the hard work students have completed throughout the term. This term students in the JET program looked at the role media play in sport. Students explored the multiple roles such as sports commentators, sports reporters, sports journalists, camera operators and sport photographers. To show off the work completed during JET, students created an IMovie that they could show to their parents, family, teachers and other community members. The night was a great success with over 20 adults attending and viewing some of the excellent work done by the JET students in Term 2 at Onslow Primary School. V Swans would like to thank the students for their efforts this term, the Open Night attendees and the teachers and staff at Onslow Primary School for their continued support throughout the delivery of the Join Engage Thrive program.

**Front Runner Sports Coaches**

This week the Front Runner Sports coaches made their way from Perth to Onslow Primary School. Students from pre-primary to high school participated in the Trackstars program developed by FRS Occupational Therapists and Physio’s. The UP1 & UP2 classes were treated to a double session working with the coaches at school and at V Swans after school program Youth Sports. Rus, a world champion dushkete encouraged the children to beat their best. “The key to enjoyment is to focus on self-improvement (not your competitors), celebrate your own wins”. We cannot wait to see students demonstrate their running talents at next terms school carnivals!

The V Swans team would like to wish everybody a safe & happy holiday!
