

A school's dress code plays an important role in promoting a positive image of the school, creating a sense of identity and fostering a team spirit. It also enhances student safety because as part of their learning environment it is very important that all students are dressed appropriately so that they can be easily identified. This Policy supports the Department of Educations' Uniform Policy, which became mandated in 2007 and supports DoE's "No Denim" policy.

It is very important to parents that affordability, quality and longevity of the garments are considered and we strongly believe that we have achieved this. Our uniform colours for the Primary School Children are a dark blue coloured shirt with dark blue shorts or skorts for the girls. There is also a dress available for the girls. The shirt will bear the school logo. The Secondary School uniform is slightly different with a red stripe down the side of the blue shirt.

The garments available are as follows:

Girls Uniform: Girls may also choose to wear a school dress

Top: Polo shirt, windcheater.
Bottom: Dark blue shorts, skorts.

Boys Uniform:

Top: Polo shirt, windcheater (for the colder months).
Bottom: Dark blue shorts.

Secondary Uniform:

Top: Polo shirt with a red strip at the side.
Bottom: Dark blue shorts.

Hats: Broad brimmed (6 cm brim) dark blue. Hats are to be worn throughout the year if students are playing outside. If students do not wear a broad brimmed hat, they will be directed to the assembly area. The school supports a "No hat, No play policy" of the school year for all terms and all year levels.

Jewellery: If jewellery is worn by any students, it needs to be appropriate and inoffensive to others. It is preferred that jewellery not be worn as loss or theft can cause unnecessary stress to the students.

Shoes: All footwear to be appropriate for the activities provided at the school. Thongs, heeled and open backed sandals are not considered appropriate for any of the activities provided.
