Dear Parents/Guardians,

It is a Department of Education requirement that students leaving the school grounds during school hours must have an out of school pass. For this pass to be obtained parental permission must be given, either verbally or in writing to the school.

So you don't have to write a note every day, can you please fill out the relevant sections below and we will issue your child/children with the appropriate pass. Not having a Departmental pass may result in refusal of service at some stores. Should a child breach behaviour during the use of this pass, the pass will be immediately revoked and the parent will be contacted.
