

# Onslow School Uniform Policy

A school's dress code plays an important role in promoting a positive image of the school and creating a sense of identity and fostering a team spirit. It also enhances student safety because as part of their learning environment it is very important that all students are dressed appropriately so that they can be easily identified. This Policy aligns with the Department of Education Uniform Policy, which clearly states "No Denim".

Items below are available from the P&C Uniform and orders can be placed through the Front Office. For items marked \* these will need be purchased from an outside supplier.

The garments available are as follows:
